

LOCATION

The SRSP is located on Botany Road, in a cottage on the grounds of Yudi Gunyi School. The Centre is easily accessed by car or public transport.

HOURS OF OPERATION

Students attend the SRSP between 9.30am and 12pm. Students should return straight home after 12pm.

STAFFING

The SRSP is staffed by an experienced Head Teacher and School Learning Support Officer (SLSO). The program closes in the event of the Head Teacher's absence.

PARENTS AND CARERS INFORMATION

THE PROGRAM

The Supported Return to School Program (SRSP) is a Department of Education initiative to support the successful return to schooling of students from Year 7 to Year 11 on suspension.

The length of a student's placement will vary according to the length of suspension and willingness to participate in the program.

OUR APPROACH

The main focus of the SRSP is to raise the self awareness of students in order to equip them with the necessary skills to return to school and engage in all aspects of school successfully.

The SRSP program is designed to guide students through a social emotional learning program in order to:

- Reflect on and understand their behaviour and its consequences
- Develop appropriate attitudes and behaviours
- Develop positive study, planning and work habits
- Reengage with school and avoid recurrence of inappropriate behaviours

STUDENT EXPECTATIONS

Each day that they attend the centre, students are required to:

- Wear their usual school uniform
- Make their way to and from the Centre
- Bring recess from home for a short break.
- Bring any equipment they need to complete their study program.

The SRSP strives to foster an environment that is safe, respectful and grounded in Trauma Informed Practice.
